

# LUETHI-PETERSON CAMPS INC.

## For International Understanding

November 2018

Dear LPC Family,

Around this time of year we write to you asking for your support to keep the Luethi Peterson Camps (LPC) vibrant and healthy.

But what is LPC?

We know that LPC is a summer camp that brings kids from different nationalities together to build trust and international understanding. There have been camps for 70 years. That is a lot of camps, counselors, directors, and parents too.

The camps are run by dedicated hard-working directors who meet each winter at the Christmas Planning Conference. They reflect on the past year and plan for the next year's camps. Counselors show up each year with enthusiasm and joy. They learn as much as the kids do. There are numerous support groups that gather to raise funds and celebrate the LPC experience and all it has taught them.

LPC International organizes and runs the camps and LPC Incorporated is the largest support group in the United States. Also known as "The LPC Board," LPC Inc. takes care of the Freedom House, helps in pre-camp operations, and provides camper scholarship funds. For many years, working with the Board has been my LPC experience. As LPC Board president these last two years I am reminded how many different ways people put lots of energy into the newsletter, fund-raising, keeping the books, visas, insurance, and more. While we support the camp, we also work to celebrate our larger LPC community.

2020 will mark 60 years at the Freedom House. We are planning events and working to connect with the all people touched by LPC. I am constantly reminded how much fun it is to meet new people, learn different ways to do things, and work together. Look out for many upcoming events including: Folk dancing, Work Weekends, Adult Summer Camp, Freedom Fun Weekends and more. Check out our website for more information about LPC Inc.: <http://lpcinc.org/>

Celebrate LPC! Your contributions help support the work of the LPC Board. Any way and any amount you can donate helps and is greatly appreciated. We welcome donations by check or through PayPal; see details below.

If you can, join us and have fun at our community and fundraiser events throughout the year. Hope to see you there.

Thanks for your help.

Peter Migliaccio  
*President, LPC Incorporated*
